Railway Commission Gives Instructions to Secretary.

HAD HELD A SPECIAL MEETING

Would Find Document by the Terms of Which the Brightwood Line Was Transferred to Washington Railway and Electric Company-Supposed to Have Been Filed in 1902.

After a special meeting of the electric railway commission yesterday, Vice Chairman Commissioner West instructed Secretary H. C. Eddy to request the offi cials of the Washington Railway and Electric Company to furnish the commis sion with statistics showing what would be the cost to operate through cars from Brightwood to the river wharves.

Secretary Eddy made the request by letter immediately after receiving in structions from the vice chairman.
In a letter to the commission recently. PASS WORD DESIRED structions from the vice chairman. citizens of Brightwood asked that efforts be made to obtain through service to the business center of the city.

Not Enough Patronage.

Vice President George H. Harries, of the Washington Railway and Electric Company, informed the commission that this could not be done, because the patronage did not warrant it. Last week Louis P. Shoemaker and C.

C. Lancaster, of the Brightwood Cititens' Association, requested the commisdon to call upon Gen. Harries to estimate he cost of operating the Brightwood cars through the city and to itemize the bill of cost, so as to explain how the cost was

The meeting yesterday was held for the consideration of this question. Mr. West and Thomas W. Smith, the members of ng, agreed it was only reasonable that Harries should furnish the figures lered the request made.

ar service question. After Gen. Harries' etter was received, it was decided to ts position is with relation to the Wash-ngton Railway and Electric Company. The amendment complish this end, the commission ghtwood line was transferred to the

WRIGHT TO ISSUE STATEMENT.

Case of the Cadets Is Subject Much Speculation,

Secretary of War Luke E. Wright re turned to Washington from Oyster Bay resterday morning, and announced he would issue a statement within the next few days explaining the exact status of the case of the eight West Point cadets who were sent to their homes under suspension, pending final action by the President.

Secretary Wright said his conference Hovels Where Flies and Other InAcademy, on Friday, at Sagamore Hill,

and Water Is Scarcely Used-Lunch It is said Secretary Wright has consulted the Judge Advocate General of the Army in regard to the cadets. The Judge Advocate advised that if the acts com-mitted by the cadets are regarded by Secretary Wright as "hazing" within the warrants for eighteen Greek and Italian meaning of the statute, the cadets mus fruit and vegetable dealers are to be expelled. If, however, the Judge Advo sworn out by the inspectors of the health cate General holds their offenses are no epartment, in line with the general so regarded, dismissal is not obligatory While Secretary Wright is not willing These aliens have made a practice of to admit the eight cadets did not "haze
